Q : Say and spell your name and your role on the show.

[05:00:00]

KAT TAYLOR : My name is Kat Taylor. K-A-T T-A-Y-L-O-R.
I play the role of the Famous Celebrity on the show.

Q : How did you get the role?

KAT TAYLOR : I've known the producers for a long time,
and when they came to me about the concept of the show, I told
them I had to have the role of the Famous Celebrity, and uh, the
rest uh, as they say is that. I knew right from -- right from
the get go that this was the part for me.

Q : What about the role drew you to it?

[05:00:31]

KAT TAYLOR : Well, being Famous Celebrity isn't much of a
departure from the roles I usually play, and let's be honest,
most of my fans see that as my persona. But um, when I saw the

pilot script, the writers had developed the character in such a way that not only could I be the Famous Celebrity, I um, also could play the role in such a way that I could almost make fun of myself in it. And the director is so great, and we both saw the potential for taking the character in that direction, so it was so easy to go from there.

Q : What has been the fan reaction so far?

[05:01:02]

KAT TAYLOR : Well, you know -- [UNRELATED CONVERSATION] the fans have had to take some of it in stride, but now that we're into the second season, they really love my character -- love and hate my character. They um -- the reaction I've gotten from fans is that they love how the Famous Celebrity has developed over the course of the season, but they hate seeing what she does to everyone else on the show. [LAUGHS] So um, I have to live with the fact that it's a great role but not one that is always a fan favorite.

Q : Any hints on the future for the Famous Celebrity this season?

KAT TAYLOR : Um, all I can say is stay tuned because the final few episodes will shock the audience, and they may get their wish for something happening to the Famous Celebrity.
